

Students who participated in MATE internships and where they are currently studying or working. Note: Some students participated in multiple internships.

	Student	School	Placement	Where are they now?
1999-2001				
1	Daniel Atwater	Monterey Peninsula College (MPC)	UNOLS R/V Laurentian	High frequency radar technician for University of California, Santa Cruz's California's Coastal Ocean Currents Monitoring Program. Earned a Masters of Science in Marine Science from UCSC, Bachelors of Science in Earth Systems Science and Policy from CSUMB with a minor in mathematics, and an Associate of Science degree from MPC.
2	Paul Chua	California State University Monterey Bay (CSUMB)	R/V Seward Johnson	<i>Unable to locate</i>
3	Gavin Eppard	MPC	R/V Atlantis (Alvin group), R/V Cape Hatteras, ODP	Alvin submersible pilot at Woods Hole Oceanographic Institution.
4	Rosette Fernandez Loughlin	CSUMB	R/V Oceanus	Bachelors in Molecular Biology from San Diego State University. Worked as research assistant at a Scripps Research Institute in the Molecular and Integrative Neurosciences Department. Is currently employed by the Centers for Disease Control & Prevention working as a Research Scientist. Plans on getting Master's in Virology and Ph.D.
5	Chad Findlay	Cuesta Community College (CCC)	R/V Thompson	Currently employed by General Electric working as a Simulation Engineer. Would like to become an Ocean Engineer.
6	Jesse Gallagher	Cabrillo College	R/V Melville	<i>Unable to locate</i>
7	Daniel Harrell	MPC	R/V Alpha Helix	Working for DNT Offshore in Ravenna, Italy, as the Director of Business Development for North America.
8	Matthew Jones	Cabrillo College	R/V Cape Henlopen	GIS technician position with Southwest Fisheries Science Center in Santa Cruz

9	Dean Khalidy	MPC	R/V Seward Johnson	Working at a resort in Big Sur, California.
10	Stanford Leon	MPC	R/V Alpha Helix, R/V Walton Smith	ROV technician at Oceaneering, International.
11	Lonny Lundsten	CSUMB	R/V Alpha Helix	Video lab research technician at Monterey Bay Aquarium Research Institute (MBARI).
12	Andrew Mattingly	MPC	R/V Thompson	Works in sales, is plans to acquire a Master's in Geography.
13	Jessica Munro Chou	Southern Maine Community College (SMCC)	R/V Longhorn	Working as a seventh grade science teacher Harnett county schools lillington, NC
14	Colleen Peters (2001 and 2003)	Maine Maritime Academy (MMA)	R/V Thompson (Jason group)	Marine Technician on the R/V <i>Falkor</i> , Schmidt Ocean Institute
15	Emily Pratt	MMA	R/V Cape Hatteras	<i>Unable to locate</i>
16	Genoveva Ruiz	CSUMB	R/V Cape Hatteras	Working at El Sereno Middle School in Los Angeles, California teaching 7 th and 8 th grade math.
17	Deborah Smith	MMA	R/V Seward Johnson	Works at Science Applications International Corporation (SAIC) as a lead hydrographer.
18	Charles Tilley	CSUMB	R/V Thompson	<i>Unable to locate</i>
19	Richard Tubb	MPC	R/V Alpha Helix	Physical scientist technician for Los Angeles County.
20	Teresa Garner	Georgia Institute of Technology	Raytheon Polar Services	Employed by Old Dominion University Research Foundation / Old Dominion University as a research associate with the Center for Coastal Physical Oceanography operating and maintaining 5 high frequency RADAR antennas for surface current mapping in the Mid-Atlantic region.
21	Diana Wellman	MPC	R/V Ronald H. Brown, R/V Atlantis	Returned to previous career in cosmetology.
22	Alicea Carlstad	MMA	ODP	<i>Unable to locate</i>

23	Chris Lernihan	MMA	ODP	Research Associate in Physical Oceanography at Woods Hole Oceanographic Institution
24	Chad Peddy	CSUMB	ODP	Project Manager at SCS Engineers, Storm Water division
25	John White	SMCC	R/V Knorr, R/V Longhorn	<i>Unable to locate</i>
26	Jennifer Dreyer (2002)	MPC	R/V Oceanus	Works as a systems operator in the control room at the Monterey Bay Aquarium.
27	Saori Zurita	CSUMB	R/V Endeavor	Junior hydrographer in the CSUMB Seafloor Mapping Lab.
2002				
28	Yuko Yokozawa (2002 and 2003)	MPC	R/V Longhorn	GIS/Data Specialist and ROV Navigator at Marine Applied Research and Exploration
29	Trevor Fay	MPC	Monterey Bay Abalone Company	Co-owner of Monterey Bay Abalone Company, teaches Submersible Technology at MPC.
30	Courtney Wright	Alvin Community College (ACC)	Oceaneering International	Works for Chevron Chemical Company as an Operator. Graduated from Lee College with degree in Process Technology. Wants to get into the offshore industry working with R.O.V. 's.
31	Jennifer Dreyer	MPC	Moss Landing Marine Labs	Works as a systems operator in the control room at the Monterey Bay Aquarium.
32	Chad Waluk	MPC	R/V Thompson, R/V Revelle	Autonomous Underwater Vehicle (AUV) faculty research assistant at Oregon State University.
33	Kristen Anderson	ACC	R/V Thompson, Oceaneering International	Works at Northrop Grumman in Redondo Beach, CA supporting the design and fabrication of NASA's James Webb Space Telescope (JWST).
34	Giles Healey	California Polytechnic Institute	R/V Cape Hatteras	<i>Unable to locate</i>
35	Sergey Babakov	MMA	R/V Cape Henlopen	<i>Unable to locate</i>
36	David O'Gorman	Lake Superior State University	Raytheon Polar Services	Marine technician on the R/V Wecoma at Oregon State University.

37	Tad Masek	CSUMB	R/V Longhorn	Working on a PhD in AUV/gliders at the Naval Postgraduate School
38	Penelope Ross	MPC	R/V Seward Johnson	Independent contractor in ROV construction for educational organizations.
39	Teresa Middlebrooke	MPC	Monterey Bay Abalone Company	<i>Unable to locate</i>
40	Brian Pierce	MPC	Monterey Bay Abalone Company	<i>Unable to locate</i>
41	Brent Henry	MPC	Monterey Bay Abalone Company	<i>Unable to locate</i>
42	Joel Leker (2002 & 2003)	MPC	Naval Post Graduate School	Working at Monterey Bay Kayaks
43	Michael Coulias	MPC	Harbor Branch Oceanographic Institution cruise	<i>Unable to locate</i>
2003				
44	Mikhail Paramonov	SMCC	R/V Savannah	Continuing education toward a PhD in Atmospheric Physics at the University of Helsinki
45	Terra Hulme	Cabrillo College	R/V Thompson	<i>Unable to locate</i>
46	Colleen Peters (2001 and 2003)	MMA	R/V Thompson (Jason group)	Marine Technician on the <i>R/V Falkor</i> , Schmidt Ocean Institute
47	Gary Lindemann	ACC	Oceaneering International	ROV technician at Oceaneering International
48	Natalya Goncharova	MPC	Elkhorn Slough Foundation	<i>Unable to locate</i>
49	Shinobu Okano (2003 & 2004)	MPC	R/V Endeavor, California Department of Fish & Game	Works as a Research Specialist doing multibeam seafloor mapping at the Center for Marine and Wetland Studies at Coastal Carolina University
50	Heather Valley	SMCC	R/V Weatherbird	Received a bachelor's degree at the University of New England and now manages a pet store
51	Jessica Marsh	MMA	R/V Longhorn	<i>Unable to locate</i>
52	Anne Hess	MPC	R/V Alpha Helix	Works in alternative health and science
53	Ken Heller	MPC	R/V Thompson (Jason group)	Works for MBARI as a MARS Operation Technician.
54	Rob Bland	University of Maine at Machias (UMM)	R/V Walton Smith, R/V Seward Johnson	<i>Unable to locate</i>

55	Stacy Tatman	University California Santa Cruz (UCSC)	R/V New Horizon	Currently a student at Vermont Law School working toward JD in Environmental Law
56	Jared Kibele	MPC	R/V New Horizon	Continuing education toward a PhD in Remote Sensing and GIS at the University of Auckland.
57	Yuko Yokozawa (2002 and 2003)	MPC	R/V Thompson (Jason group), NOAA National Marine Fisheries Service (NMFS) cruise	GIS/Data Specialist and ROV Navigator at Marine Applied Research and Exploration
58	Joel Leker (2002 & 2003)	MPC	R/V Thompson (Jason group)	<i>Unable to locate</i>
2004				
59	Mishka Romanski	CSUMB	R/V New Horizon	Working for the Department of Defense for a job as a Data Analyst.
60	Matt Hampton	MPC	R/V Pelican	<i>Unable to locate</i>
61	Angelo Luis Tavera (2004 & 2005)	ACC	R/V Weatherbird	Continuing education toward a B.S. in Alternative Energy and Electronics at Arizona State University.
62	Melissa Martin	Florida Institute of Technology (FIT)	R/V Walton Smith	<i>Unable to locate</i>
63	Florence Pi	University of California, Los Angeles	R/V Endeavor	Works at Harvard Westlake School as a Science Teacher.
64	Shinobu Okano (2003 & 2004)	MPC	R/V Atlantis	Works as a Research Specialist doing multibeam seafloor mapping at the Center for Marine and Wetland Studies at Coastal Carolina University.
65	George Radojevic	MPC	R/V Seward Johnson	Works for Moss Landing Marine Laboratories in the Marine Pollution Studies Laboratory as a database analyst.
66	Maryann Griffin	SMCC	R/V New Horizon	Works as a park ranger for State of Marine, Dept of Conservation, Bureau of Parks and Lands.
67	Heather Hunsperger	Eckerd College	R/V Atlantis	Currently pursuing her PhD in Biology at University of Washington studying algal genomes and metabolic processes to discern broad evolutionary trends.

68	Lee Morow	MPC	R/V Alpha Helix	Works as an aquarist at a saltwater reef store, teaching assistant at CSUMB for their open water and advanced courses, is a dive master. Also a Student at MPC. Plans on transferring to UCSC.
69	Gary Lasky	MPC	California Department of Fish & Game	<i>Unable to locate</i>
70	Allison Cochran Siadatan	MPC	Moss Landing Marine Labs (MLML)- Science Learning and Exploration With The Help of Sea Lions (SLEWTHS)	Working as an Environmental Scientist for an Ecosystems Consulting company.
71	Sarah Stuve (2004 & 2005)	MPC	MLML-SLEWTHS	Working as a sea lion trainer at Coral World Ocean Park
72	Chris Essert	MPC	Oregon State University (OSU) GIS cruise	Working for Hurricane Electric helping to investigate electrical charges inside hurricanes as a source of alternative energy
73	Ben Ottmar	MPC	CSUMB RISE Program	<i>Unable to Locate</i>
74	Zoe Schumacher	CSULB	NOAA NMFS cruise	Works as a Senior GIS Analyst at URS Corp.
2005				
75	Devlin Jackson	Humboldt State University (HSU)	R/V Walton Smith	Working as a life support technician for a 1000' saturation system in the GOM for global diving and salvage.
76	Emily Garner	Cape Fear Community College (CFCC)	R/V Walton Smith	<i>Unable to locate</i>
77	Nick Allhoff	Coastal Carolina University (CCU)	R/V Walton Smith	Working as an IT specialist for the Naval Oceanographic Office
78	Ryan Dillon	HSU	R/V Endeavor	<i>Unable to locate</i>
79	Ray Savicke	Eastern Michigan University	R/V Blue Heron	Working as a high school science teacher at Jackson Public Schools
80	Joanne Arguello	UCSC	R/V Knorr	Working at Solumn Inc as an ICP Chemist

81	Brad Issler	HSU	R/V Kilo Moana	Research technician in the phytoplankton ecology lab at the Bermuda Institute of Ocean Sciences.
82	Colleen McCue	CCU	R/V Kilo Moana	Working for the Mission Aransas National Estuarine Research Reserve.
83	Karen Gref	CSUMB	Pennington Marine Science Center	Working part-time teaching K-12 students about ecosystems while pursuing a Masters degree at University of Michigan in Environmental Science.
84	Sarah Stuve (2004 & 2005)	MPC	MLML-SLEWTHS	Working as a sea lion trainer at Coral World Ocean Park.
85	Angelo Luis Tavera (2004 & 2005)	ACC	R/V Kilo Moana	Continuing education toward a B.S. in Alternative Energy and Electronics at Arizona State University.
86	Katie Kent	MPC	Pelagic Shark Research Foundation	Working for the Pelagic Shark Research Foundation.
87	Rhys Smoker	HSU	Oregon State University / NOAA NMFS Bathymetric cruise	Teaches oceanography at a high school.
88	Stephen Davenport	CSUMB	Pennington Marine Science Center	<i>Unable to locate</i>
2006				
89	Myfanwy Rowlands	Loyola Marymount University (LMU)	Pennington Marine Science Center	Working on a PhD in ecology.
90	Marc Mangahas	College of the Redwoods	Pennington Marine Science Center	<i>Unable to locate</i>
91	Tanya Ribakoff	Eckerd College	Louisiana State University- Dept. of Oceanography and Coastal Sciences	<i>Unable to locate</i>
92	Bill Logan	Clatsop Community College	R/V Blue Heron	<i>Unable to locate</i>
93	Theresa McGovern	SMCC	R/V Blue Heron	<i>Unable to locate</i>

94	Kenneth (KG) Fairbarn	Orange Coast Community College (OCCC)	R/V Atlantis (Alvin group)	Continuing education at The Naval Postgraduate School for a Masters degree in Remote Sensing Intelligence
95	Scott Lowicki	SMCC	R/V Revelle	Professor at Southern Maine Community College in Psychology, American Government and Science.
96	Simon Kang	HSU	R/V Revelle	<i>Unable to locate</i>
97	Chris Vance	ACC	R/V Wecoma	ROV technician at Oceaneering International.
98	Mario Ruiz	Long Beach City College (LBCC)	R/V Wecoma	<i>Unable to locate</i>
99	Caymin Ackerman	HSU	Seward Johnson	<i>Unable to locate</i>
100	Hillary Timm	California State University- Cal Poly San Luis Obispo	US Coast Guard's R/V Healy	Currently employed by Applied Biosystems working as Production Chemist.
101	Louie Okamoto	CSUMB	R/V Point Sur	Currently works as the Program Coordinator for the Recruitment In Science Education (RISE) Program at CSUMB, a non-profit after school science enrichment program for traditionally underrepresented, low-income students in the Salinas and Monterey Bay area.
102	Brenda Halsted (2006 & 2007)	CSUMB	R/V Point Sur	Unemployed and continuing education
103	Dave Uyehara	MPC	R/V Point Sur	<i>Unable to locate</i>
104	Shawna Hughes Pugsley	MPC	R/V Point Sur	<i>Unable to locate</i>
105	David Nishijima (2006 & 2007)	CSUMB	R/V Point Sur	Working as a math and science teacher at Chartwell School
106	Jasmine Ruvalcaba	CSUMB	R/V Point Sur	Continuing education toward a PhD in Phycology at Moss Landing Marine Laboratories
107	Drew Cole	Community College of Honolulu (CCH)	R/V New Horizon	Working at Scripps Institution of Oceanography as a marine technician in the shipboard technical support department.

108	Santino de Santis	Saddleback Community College (SCC)	R/V Point Sur	Working in animal husbandry at the USC Marine Life Research Center
109	Alejandra Huerta	Hartnell Community College (HCC)	Department of Energy (DoE)-Pacific Northwest National Laboratories (PNNL): Marine Research Operations	Working at the Gilbert lab in the Environmental Studies Department. Also a student at UCSC pursuing a Bachelors of Science in Chemistry or Bio-Chemistry.
110	Mario Degadillo-Lariz	Cabrillo Community College	DoE PNNL Marine Research Operations	Continuing his education at San Jose State University pursuing at Bachelors of Science in Electrical Engineering.
111	Mia Prinzen	University of California Berkeley (UCB)	DoE PNNL Marine Research Operations	<i>Unable to locate</i>
112	Elizabeth Patrick	CFCC	DoE PNNL Marine Research Operations	<i>Unable to locate</i>
113	Anne Sydney Elston	UCSC	CA Dept. of Fish & Game	Working as a consultant for Sensor Environmental LLC
114	Tamara Myers	Cabrillo Community College	CA Coastal Commission	<i>Unable to locate</i>
2007				
115	Ashley Schultz	Brevard Community College (BCC)	Pennington Marine Science Center	<i>Unable to locate</i>
116	Emily Stefansson	Everett Community College (ECC)	DoE PNNL Marine Research Operations	<i>Unable to locate</i>
117	Jarrod Jackson	Clatsop Community College	DoE PNNL Marine Research Operations	Graduated with a B.S in computer science from OSU and is working in computer field.
118	Laura Almaguer	Gavilan Community College	DoE PNNL Marine Research Operations	<i>Unable to locate</i>
119	Emily Senesac	Eckerd College	Pennington Marine Science Center	Works as an instructor at an outdoor recreational center with camps and ecotours in Florida

120	Miranda Peterson	OCCC	Pennington Marine Science Center	<i>Unable to locate</i>
121	Tylar Murphy	MPC	R/V Blue Heron	Working as an engineer for Motor Yacht Limitless
122	Allison Mayo	CFCC	R/V Blue Heron	<i>Unable to locate</i>
123	Albert (AJ) Cecchetti	CSUMB	R/V Atlantis	Currently working for Deep Ocean Engineering as a senior mechanical technician
124	Tesfaberhan Habtemariam	Santa Rosa Junior College	R/V Atlantis	Vice president of a vitamin/supplement company
125	James (Mike) Plasker	FIT	R/V Kilo Moana	<i>Unable to locate</i>
126	Nicole Torres	HSU	R/V Kilo Moana	<i>Unable to locate</i>
127	Makemba McGuire	FIT	R/V Pelican	<i>Unable to locate</i>
128	Matthew Jewell	University of Rhode Island (URI)	R/V Pelican	Marine Engineer for LBI, Incorporated, which specializes in building prototype unmanned vehicles
129	Jose Tapia	HCC	R/V Pelican	<i>Unable to locate</i>
130	Dan Henderson	Kingsborough Community College (KCC)	R/V Pelican	<i>Unable to locate</i>
131	Laura Jones	University of Indiana	R/V Knorr	Working for Indiana University's Geological sciences department
132	Jessica Thomas	College of the Siskiyous	R/V Knorr	Working as an Engineer at Emerson Process Management
133	Prianca Joshi	Salem College	R/V Knorr	Studying psychology at Wright State University
134	Monica Price	Coastal Carolina	R/V Knorr	Working for Naval Oceanographic Office's bathymetry department
135	Alison Jones Flanagan	CSUMB	R/V Knorr	Working toward a PhD in atmospheric sciences at SUNY Stony Brook
136	David Nishijima (2006 & 2007)	CSUMB	R/V Cape Hatteras	Working as a math and science teacher at the New High School Project

137	Roberto Gomez	Long Beach Community College (LBCC)	R/V Atlantic Explorer	<i>Unable to locate</i>
138	Maria Borja	LBCC	R/V Atlantic Explorer	Continuing education with a major in Mechanical and Aerospace Engineering at California State University San Diego
140	Brenda Halsted (2006 & 2007)	CSUMB	R/V Atlantic Explorer	Unemployed and continuing education
141	Robert Seyranian	CSU Chico	R/V Atlantic Explorer	<i>Unable to locate</i>
142	Nate Gallagher	HSU	R/V Seward Johnson	<i>Unable to locate</i>
2008				
143	Larry Hastings	CFCC	NOAA/University of Alaska	Working for CGG Veritas
144	Gregg Diffendale	Eckerd	<i>R/V Seward Johnson</i>	Currently working for the Institute For Exploration as an ROV Pilot on the <i>E/V Nautilus</i>
145	Michael Wallstrom	Gavilan CC	<i>R/V Blue Heron</i>	Continuing education at the University of Hawaii at Monoa studying marine biology
146	Jason Muchmore	Southern Maine CC	<i>R/V Sharp</i>	Continuing education at University of Southern Maine doing research in bathymetric mapping
147	Alex Nañez	East L.A. College (MESA CC)	<i>USCG Healy</i>	Recently graduated from UCSC with a degree in marine biology. Currently working for a non-profit organization as a tutor while pursuing work in his field.
148	Jeremiah Cypert	Humboldt U	<i>R/V Wecoma</i>	Working as a plumbing contractor.
149	Kaori Kaboyashi	Saddleback CC	<i>R/V Langseth</i>	Not currently working.
150	Scott Upper	MPC	<i>R/V Langseth</i>	Works as a SCUBA Instructor.
151	Phillip Kelley-Dotson	Mount Union College	WHOI	<i>Unable to locate</i>
152	James Miller	FIT	NOAA	Working as a Mechanical Engineer at Teledyne ODI

153	Neal Smith	Bemidji State University	NOAA	<i>Unable to locate</i>
154	Sam Arden	FIT	NOAA	<i>Unable to locate</i>
155	Miguel Arrelano	Bakersfield CC (MESA)	NOAA/U of Alaska	<i>Unable to locate</i>
156	Adrienne Tabag	CSUMB	MBARI	Working for a nonprofit, Women Like Us
157	Jonah Mulski	MPC	MBARI	Graduating from UCSC with a B.S. in Ecology and Evolutionary Biology in June 2012.
158	Ross Williams	MPC	CIMI	Continuing toward his degree in Marine Technology at MPC
159	Daniel Adams	CSUMB	MBA	Continuing his education at CSUMB. Would like to pursue a career in fishing or design.
160	Ranae McHugh	University of Maine at Machias	MLML	Teaches ecology at a high school
161	Joshua Gregory	Kingsborough CC	HBOI	<i>Unable to locate</i>
2009				
162	Corey Bryant	SMCC	<i>R/V Kilo Moana</i>	Environmental science major at university of southern Maine
163	Croy Carlin	University of Maine	<i>R/V Blue Heron</i>	Working as Research Technician at Gulf of Maine Research Institute
164	Carly Caron	MMA	<i>R/V Thompson</i>	Continuing education at MMA. Would like to pursue a career in Marine biology related pharmacognosy.
165	Patricia Clark	Cabrillo College	<i>R/V Atlantis</i>	Working as a field and lab assistant in oceanography, biology, environmental science, and geology at Cabrillo College
166	Stuart Cook	LBCC	Gulf SERPENT Project at LSU	Working as a Research Specialist for LSU as part of the Serpent Project
167	Brian Johnson	CFCC	<i>R/V Seward Johnson</i>	Working as a research technician at the Coastal Carolina University, Center for Marine and Wetlands Studies

168	Alyse Milanowski	University of Wisconsin	<i>R/V Blue Heron</i>	Currently in graduate school at NOVA Southeastern University in Ft Lauderdale, FL for Marine Biology and working in Orlando in animal husbandry
169	David Moore	SMCC	<i>R/V Oceanus</i>	Works as a marine technician for the U.S. Antarctic Program
170	Hanae Spathias	Humboldt	<i>USCG Healy</i>	Continuing education toward an M.S. in marine science at University of Puerto Rico-Mayaguez
171	Alex Vongkoth	LBCC	<i>R/V Wecoma</i>	Continuing education at LBCC
172	Nathan Webb	Clatsop CC	<i>R/V Walton Smith</i>	Working as an Electronics Technician aboard the OSV Bold for the EPA/Seaward Services
173	Matthew Wilkinson	CFCC	<i>R/V Sharp</i>	Working as a deck engineer aboard the <i>R/V Sharp</i>
2010				
174	Matt Biddle	Humboldt State University	<i>USCG Healy</i>	Working as a physical oceanographer for National Oceanographic Data Center, contracted by Earth Reso
175	Emily Gyde	Ohio State University	<i>R/V Cape Hatteras</i>	Graduating from Ohio State University in June 2012 with a B.S. in Mechanical Engineering. Will be working for Cameron International in their sub-sea division starting August 2012.
176	Evan Johnson	California Polytechnic State University San Luis Obispo	<i>R/ V Thompson</i>	Working with Sunnovations solar energy company in engineering and data acquisitions
177	Robert Kozak	Santa Clara University	<i>R/V Cape Hatteras</i>	Continuing education at Santa Clara University toward a degree in Mechanical Engineering
178	Al Mendoza	Long Beach City College	<i>R/V Cape Hatteras</i>	Continuing education at LBCC
179	Jason Padgett	Humboldt State University	<i>R/V Pelican</i>	Continuing education at Humboldt
180	Vittorio Pascal	Bristol Community College	<i>R/V Endeavor</i>	Pursuing an engineering degree

181	Tom Pawlicki	Cape Fear Community College	<i>R/V Walton Smith</i>	Unable to locate
182	Russell Rejda	Florida Keys Community College	<i>R/V Thompson</i>	Unable to locate
183	Nick Short	Cape Fear Community College	<i>R/V Sharp</i>	Working as a marine technician on the <i>R/V Sharp</i>
184	Brianna Smith	Southern Maine Community College	<i>R/V Oceanus</i>	Continuing education at SMCC
185	Franky Stankiewicz	Coastal Carolina University	<i>R/V Sharp</i>	Working as a marine scientist and technician at Alpine Ocean Seismic Survey
186	Heather Stoker	Cape Fear Community College	<i>R/V Oceanus</i>	Continuing education at CFCC and working as a supplemental instructor there
187	Gurvijay Bains	Bakersfield College	NOAA National Marine Sanctuaries	Continuing education at Bakersfield College
188	Stuart Cook	Long Beach City College	Louisiana State University Serpent Project	Working as a Research Associate for LSU as part of the Serpent Project
189	Ben Erwin	Long Beach City College	<i>E/V Nautilus</i>	Working as an ROV pilot the Monterey Bay Aquarium Research Institute
190	Michael Filimon	University of Rhode Island	<i>E/V Nautilus</i>	Working for Institute for Exploration while continuing education at URI
191	Susan Meyer	San Jose State University	NOAA National Marine Sanctuaries	Currently the Executive Director of Loma Prieta Resource Conservation District working to improve water quality in the watersheds that flow into the Monterey Bay
2011				
192	Erik Arnesen	Sonoma State University	<i>R/V Wecoma</i> (six-month intern)	Working as a marine technician on the <i>R/V Wecoma</i>
193	Mark Burnap	Southern Oregon Community College	<i>R/V Sharp</i>	Continuing education at Oregon State University toward a B.S. in Natural Resources, GIS minor, and working part-time for Ship Operations for OSU

194	Jaclyn Chariw	Kutztown University	<i>R/ V Thompson</i>	Graduated in December 2011 from Kutztown University with a B.S. in Marine Science/biology and Marine Science/geology; currently looking for a job related to marine science & technology
195	Rachel Gaines	Monterey Peninsula College	<i>E/V Nautilus</i>	Continuing her education in marine technology at MPC
196	Steve Gandron	Southern Maine Community College	<i>R/V Sharp</i>	Transferred to University of Hawaii at Manoa to pursue a degree in Marine Biology
197	Elizabeth Hogan	Great Bay Community College	<i>R/V New Horizon</i>	Working as a deckhand/educator on the schooner A J MEERWALD
198	Alex Kavanaugh	University of Rhode Island	<i>E/V Nautilus</i>	Continuing education at URI for an MS in Ocean Engineering
199	Ryan Kennedy	Bristol Community College	<i>R/V Knorr</i>	Continuing education at BCC
200	Anthony Maher	Cape Fear Community College	<i>R/V Sharp and R/V Pelican</i>	Graduated in June 2012 and looking for a job in marine technology.
201	Mitchell Mandell	University of California, Los Angeles	<i>R/VIB Palmer</i>	Continuing education
202	Kyle McDermott	Cape Fear Community College	<i>R/V Cape Hatteras and R/V Knorr (six-month intern)</i>	Continuing education at the University of North Carolina at Wilmington toward a B.S. in Coastal Environment Management.
203	Winn McEnery	Humboldt State University	<i>USCG Healy</i>	Working as a lab technician in the HSU Marine Lab
204	Kevin Nydam	Bristol Community College	<i>R/V Pelican</i>	Continuing education at BCC
205	April Patterson	Florida Keys Community College	<i>R/VIB Palmer</i>	Continuing education at FKCC
206	Jonathan Robinette	Cape Fear Community College	<i>R/V Walton Smith</i>	Continuing education at CFCC
207	Thom Smith	Monterey Peninsula College	NOAA Fulmar	Continuing education at MPC

208	Ashley Stinson	University of Maine	<i>R/V Knorr</i>	Changed careers to real estate
209	Nick Tosto	Kingsborough Community College	<i>R/V Endeavor</i>	Working as a deck engineer on the <i>R/V Endeavor</i>
2012				
210	Margaret Craig	University of Rhode Island	<i>E/V Nautilus</i>	Working as an ROV pilot for the E/V Nautilus summer 2013 and then working as an engineer for Navatek, Ltd.
211	Alexis Crouch	Jacksonville University	<i>R/V Sharp</i>	Continuing education as a double major in marine biology and computer science; new interested in ROVs
212	John Ted Cummiskey	Humboldt State University	<i>R/V Sharp</i>	Working as an Oceanographic Technician on the <i>R/V Sharp</i>
213	Stephen Keene	Florida Keys Community College	<i>R/V Blue Heron</i>	Continuing education at FKCC
214	Joshua Reyes	Long Beach City College	<i>USCG Healy</i>	Continuing education at LBCC
215	Sopharith Meas	Long Beach City College	<i>R/V Atlantis</i>	Continuing education at LBCC
216	Michael Neal	Florida Atlantic University	<i>R/V Knorr</i>	Continuing education at FAU
217	Arvin Nelson	Monterey Peninsula College	<i>USCG Healy</i>	Beginning an MS in Marine Science Ocean Policy Program at CSUMB fall 2013
218	Mwaura Ngoima	Kingsborough Community College	<i>R/V Knorr</i>	Working as a deckhand on the sightseeing Lobster boat, Lulu
219	Dolan Paris	Humboldt State University	<i>R/V Thompson</i>	Continuing education at HSU
220	Ashley Stinson	University of Maine	<i>R/V Knorr and R/V Endeavor</i> (six-month intern)	Changed careers to real estate
221	Tara Willis	Monterey Peninsula College	<i>E/V Nautilus</i>	Continuing education at LBCC
