

Company Specs

Education Level: Varying 2nd and 3rd year university students

Employees (Starting Front right, Anti-Clockwise)

Adrian Przenioslo (CEO; Mechanical Team Leader; Pilot)

MEng Mechanical Engineering

Rory Patterson (Mechanical Technician)

MEng Mechanical & Offshore Engineering

Philip Thomson (Electrical Team Leader; Software Engineer; Co-Pilot)

MEng Electrical & Electronic Engineering

Greg Hanson (Electrical Technician)

MEng Electrical & Electronic Engineering

Stewart Pitt (Electrical Technician)

MEng Electrical & Electronic Engineering

Alistar Garden (Mechanical Technician)

MEng Mechanical & Electrical Engineering

ROV Stats:

ROV Name: SK-1

Total cost: £941.38 (\$1,426.33)

Primary material: PVC pipe

Dimensions: 450(L)x500(H)x380mm(W)

Weight: 12kg

Safety Features:

- 40A Fuse on surface
- Removable motor drivers
- Flooded frame
- Removable Tether
- No visible sharp object

Special Features:

- 3 Axis Joystick control system
- Multiple mission specific tools
- Separate control for vertical motors
