

Position Announcement

Resumes are now being accepted for positions in:

SHIPBOARD EDUCATION/CREW

The Living Classrooms Foundation is a non-profit educational organization in Baltimore, MD that provides hands-on, interdisciplinary learning programs in challenging environments for students of all ages and backgrounds.

We are currently seeking enthusiastic individuals for the positions of:

MATES, ON-BOARD EDUCATIONAL COORDINATORS, SCIENCE EDUCATOR, DECKHANDS & COOK.

These individuals must be interested in joining a team of dedicated professionals to work with youth aboard one of our historic Chesapeake Bay workboats – the pungy schooner *LADY MARYLAND*, skipjack *SIGSBEE*, and buyboat *Mildred Belle*. Programs range in length from one-day trips to ten-day extended land/sea expeditions in the waters of Baltimore, the Chesapeake Bay and its tributaries as well as off the New England coast.

Qualified applicants must possess a strong commitment to the education of all students, be motivated self-starters, function successfully as part of a team, and maintain a desire to work outdoors in a challenging but fun environment. Education/biology background is preferred, but we will train the right people. Drivers license and clean driving record required. This is a physically demanding job that necessitates a certain amount of physical fitness. *Lady Maryland* mate position requires a 100-ton license.

Positions are seasonal: available March through mid-November 2015

Please send resume and cover letter to:
