

**Ocean Observatory Intern  
(Temporary, 10 weeks)**

The Ocean Observatory Intern will assist in the construction, deployment, recovery and maintenance of oceanographic moorings. The Intern will be required to carry out tasks related to preparing an oceanographic mooring for deployment and for assisting in the disassembly of a mooring. Tasks may include using hand and power tools, power washing, painting, database management, and sensor setup.

No prior knowledge or skills are required for this position. The requests made of the intern will fall within the scope of their skill level and they will receive training for any tasks requiring additional knowledge or skills.

This is a temporary position, for a period of ten weeks, to start as soon as possible. Please submit your application material by e-mail to [jobs@mbari.org](mailto:jobs@mbari.org), or by mail to the below address, or by fax to (831) 775-1620.
